Tell why are you interested in serving on this commission or committee.

I have recently been looking to give back to the community, volunteering for the Arts Commission has been interesting and rewarding and I wish to expand my role. There are a number of projects that I would like to see undertaken and for which I can provide significant expertise to the commission.

- 1) Update/upgrade the catalog of art owned and on loan to the city - both printed and a PDF.
- 2) Update/upgrade the Walking Tour of Auburn - originally done for the centennial, should be updated for the quasiquicentennial. Enhanced to offer a tour of both architecture and art. The quality should be high enough to warrant printing an abridged version as a tourist document.
- 3) A web presence to provide the public insight on the work the commission is doing and to further the goals of the commission as the city council has defined them. I have already started work on this project and I will support it for at least the next 9 months whether selected or not.
